### *How to Vote*

On or about April 26, 2024, we will mail or e-mail a copy of our Notice of 2024 Annual Meeting of Stockholders, Proxy Statement, proxy card, and 2023 Annual Report (collectively “Proxy Materials”) to our stockholders according to their previously indicated preference. Some of our stockholders will be mailed a Notice of Availability of Proxy Materials, which contains instructions on how to request and receive a paper or e-mailed copy of our Proxy Materials, and how to view these materials online. We encourage you to vote by telephone, over the Internet or by mail by completing your proxy card, even if you plan to participate in the virtual Annual Meeting. All methods of correspondence will provide stockholders with instructions on how to vote or authorize a proxy to vote using any of the following methods:

#### **By Internet**

Authorize a proxy to vote your shares via the website [www.proxydocs.com/PLTK](http://www.proxydocs.com/PLTK), which is available 24 hours per day until the start of the Annual Meeting. In order to authorize your proxy, you will need to have available the control number that appears on the voting instructions included in the Proxy Materials that you received. If you authorize your proxy via the Internet, you do not need to return your proxy or voting instruction card.

#### **By Telephone**

Authorize a proxy to vote your shares by calling toll-free at 844-311-3915, 24 hours per day until the start of the Annual Meeting. When you call, please have the voting instructions in hand that accompanied the Proxy Materials you received, along with the control number that appears therein. Follow the series of prompts to instruct your proxy how to vote your shares. If you authorize your proxy by telephone, you do not need to return your proxy or voting instruction card.

#### **By Mail**

If you received and/or requested via the Notice a printed set of the Proxy Materials (including the Proxy Statement, proxy card, and Annual Report), authorize a proxy to vote your shares by completing, signing, and returning the proxy in the prepaid envelope provided.

**Virtual Meeting Access:** Vote your shares by logging onto and voting at the virtual Annual Meeting at [www.proxydocs.com/PLTK](http://www.proxydocs.com/PLTK) by following the instructions provided to you via email after completing the registration procedures described on the website. Please note that you must register on the website in advance of the Annual Meeting to be able to attend and vote your shares. shares, you will need your unique control number, which appears on the instructions that accompanied the Proxy Materials.

**Beneficial Stockholders:** If your shares of common stock are held by a bank, broker or other holder of record, please follow the instructions you receive from your bank, broker or other holder of record on how to vote your shares of common stock at our Annual Meeting. Since a beneficial owner is not the stockholder of record, you may not vote these shares online at our Annual Meeting unless you obtain a “legal proxy” from the bank, broker or other holder of record that holds your shares, giving you the right to vote the shares at the Annual Meeting. You must also register at [www.proxydocs.com/PLTK](http://www.proxydocs.com/PLTK) in advance of the Annual Meeting to be able to vote at the Annual Meeting.

**Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting to be Held on June 11, 2024:** This Proxy Statement and our 2023 Annual Report are available in the investors section of our corporate website at [www.playtika.com](http://www.playtika.com). If you would like to request paper copies of the Proxy Statement or our 2023 Annual Report, please follow the instructions provided on the Notice of Availability of Proxy Materials. You are encouraged to access and review all of the information contained in the Proxy Materials before voting.

**Virtual Stockholder Meeting:** The Board has decided to hold a completely virtual Annual Meeting this year. The Board believes that the virtual format for the Annual Meeting will provide the opportunity for participation by a broader group of our stockholders, while reducing the costs associated with planning, holding, and arranging logistics for in-person meeting proceedings. The virtual meeting format enables stockholders to participate fully, and equally, from any location around the world, at little to no cost. It also reduces the environmental impact of our Annual Meeting. We designed the format of our Annual Meeting to ensure that our stockholders who attend our Annual Meeting will be afforded the same rights and opportunities to participate as they would at an in-person meeting and to enhance stockholder access, participation and communication through online tools.

**Date and Time:** The Annual Meeting will be held virtually through a live audio webcast on June 11, 2024, at 9:00 a.m. Pacific Time. There will be no physical meeting location. The meeting will only be conducted via an audio webcast.

**Access to the Audio Webcast of the Annual Meeting:** The live audio webcast of the Annual Meeting will begin promptly at 9:00 a.m. Pacific Time. Online access to the audio webcast will open approximately fifteen minutes prior to the start of the Annual Meeting to allow time for you to log in and test the computer audio system. We encourage our stockholders to access the meeting prior to the start time.

**Log in Instructions:** To attend the virtual Annual Meeting, log in at [www.proxydocs.com/PLTK](http://www.proxydocs.com/PLTK) and register in advance. Following registration, you will receive instructions regarding virtual attendance at the Annual Meeting and how to vote your shares at the Annual Meeting, along with your unique link to attend the Annual Meeting, via email. Stockholders will need their unique control number which appears on the Notice (printed in the shaded box) and the instructions that accompanied the Proxy Materials. If your shares of common stock are held by a bank, broker or other holder of record, and you do not have a control number, please contact your bank, broker or other holder of record as soon as possible, so that you can be provided with a control number and register to gain access to the Annual Meeting.

The Annual Meeting’s Rules of Conduct will be posted on [www.proxydocs.com/PLTK](http://www.proxydocs.com/PLTK) approximately two weeks prior to the day of the Annual Meeting.

**Technical Assistance:** Beginning 30 minutes prior to the start of and during the virtual Annual Meeting, we will have a support team ready to assist stockholders with any technical difficulties they may have accessing or hearing the virtual meeting.

If you encounter any difficulties accessing the virtual meeting during the check-in or meeting time, you should call our support team at the toll-free number that will be provided to you via email following registration.

**Voting shares prior to and at the virtual Annual Meeting:** Stockholders may vote their shares at [www.proxypush.com/PLTK](http://www.proxypush.com/PLTK) prior to the start of the virtual Annual Meeting. If your shares of common stock are held by a bank, broker or other holder of record, you may not vote these shares online at our Annual Meeting unless you obtain a “legal proxy” from the bank, broker or other holder of record that holds your shares, giving you the right to vote the shares at the Annual Meeting.

## Proposals

### Proposal 1 - Election of Directors

The Board currently consists of six directors who we believe contribute the breadth of knowledge and experience necessary for the advancement of our business strategies and objectives. Based on the recommendation of our Nominating and Corporate Governance Committee, the Board has nominated the following current six directors, for re-election at the Annual Meeting, each to serve for a one-year term expiring at our annual meeting of stockholders in 2025 and until their respective successors have been duly elected and qualify:

<b>Name</b>	<b>Age</b>	<b>Position</b>
Robert Antokol	56	Chief Executive Officer and Chairperson of the Board
Marc Beilinson	65	Director
Hong Du	52	Director
Dana Gross	56	Director
Tian Lin	44	Director
Bing Yuan	55	Director

Each of the nominees for election currently serves as a director and has consented to serve for a new term if elected. Each nominated director was elected by our stockholders to his or her present term of office. Although it is anticipated that each nominee will be able to serve as a director, should any nominee become unavailable to serve, the shares of our common stock represented by the proxies will be voted for such other person or persons as may be designated by the Board, unless the Board reduces the number of directors accordingly. As of the date of this Proxy Statement, the Board is not aware of any nominee who is unable or will decline to serve as a director.

For more information regarding our nominees, please see the “Board of Directors and Corporate Governance” section of this Proxy Statement.

---

**OUR BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” EACH OF THE  
NOMINEES LISTED ABOVE.**

---

## **Proposal 2 - Ratification of Appointment of Independent Registered Public Accounting Firm**

The Audit Committee of the Board has appointed Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as the independent registered public accounting firm to audit our consolidated financial statements and internal control over financial reporting for the year ending December 31, 2024. Representatives of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, are expected to be present at the Annual Meeting and will be provided an opportunity to make a statement if the representatives desire to do so. The representatives are also expected to be available to respond to appropriate questions.

Although ratification by our stockholders is not a prerequisite to the power of the Audit Committee to appoint Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as our independent registered public accounting firm, the Board and the Audit Committee believe such ratification to be advisable and in the best interests of the company. Accordingly, stockholders are being requested to ratify, confirm, and approve the appointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as our independent registered public accounting firm to conduct the annual audit of our consolidated financial statements and internal control over financial reporting for the year ending December 31, 2024. If the stockholders do not ratify the appointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, the appointment of an independent registered public accounting firm will be reconsidered by the Audit Committee; however, the Audit Committee has no obligation to change its appointment based on stockholder ratification. If the appointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, is ratified, the Audit Committee will continue to conduct an ongoing review of its scope of engagement, pricing and work quality, among other factors, and will retain the right to replace Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, at any time.

---

**OUR BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF KOST FORER GABBAY & KASIERER, A MEMBER OF ERNST & YOUNG GLOBAL, FOR THE YEAR ENDING DECEMBER 31, 2024.**

---

**Proposal 3 - Advisory Vote to Approve the Compensation of Our Named Executive Officers (“Say-on-Pay” Proposal)**

As required by Section 14A(a)(1) of the Securities Exchange Act of 1934, as amended (“Exchange Act”), we are asking our stockholders to vote, on a non-binding, advisory basis, to approve the compensation paid to our named executive officers, as described in the Compensation Discussion and Analysis and the executive compensation tables narrative that follow (the “Say-on-Pay Proposal”). Our Board has decided that we will hold an annual advisory vote to approve the Say-on-Pay Proposal, in light of the fact that a substantial majority of the votes cast at our annual stockholders’ meeting held in June 2021 were voted in favor of holding an annual advisory vote. Following the Say-on-Pay Proposal to be conducted at this Annual Meeting, we expect our next Say-on-Pay Proposal will be conducted at our annual meeting in 2025.

We encourage our stockholders to review the “Executive Compensation” section of this Proxy Statement for more information.

Because this vote is advisory, it is not binding on us or the Board. Nevertheless, the views expressed by stockholders, whether through this vote or otherwise, are important to management and the Board and, accordingly, the Board and the Compensation Committee of the Board (the “Compensation Committee”) will consider the results of this vote in making determinations in the future regarding executive compensation arrangements.

---

**OUR BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” APPROVAL ON A NON-BINDING ADVISORY BASIS OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS FOR THE FISCAL YEAR ENDED DECEMBER 31, 2023, AS MORE FULLY DISCLOSED IN THIS PROXY STATEMENT.**

## Board of Directors and Corporate Governance

### *Director Nominees*

The Board has nominated the following six current directors, identified below, for re-election at the Annual Meeting, each to serve for a one-year term expiring at our annual meeting of stockholders in 2025, and until their respective successors are duly elected and qualify. The information presented below highlights each director nominee's specific experience, qualifications, attributes, and skills that led the Board to the conclusion that he or she should serve as a director. We believe that all of our director nominees have a reputation for integrity, honesty, and adherence to high ethical standards. They each have demonstrated business acumen and an ability to exercise sound judgment, as well as a commitment of service to Playtika and the Board. We also value the additional perspective that comes from serving on other companies' boards of directors and board committees. We continue to review the composition of the Board in an effort to assemble a group that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in various areas.

**Robert Antokol** co-founded the Playtika business in 2010, with our subsidiary, Playtika Ltd., and has served as its Chief Executive Officer since its founding. In these roles, Mr. Antokol has overseen the expansion of our games portfolio and an employee base that grew from less than 50 to more than 3,000 employees. In 2011, only 13 months after founding Playtika, he successfully oversaw the sale of Playtika to Caesars Interactive Entertainment, Inc. ("CIE"), and in 2016, Mr. Antokol oversaw the sale of Playtika from CIE to a consortium of investors led by Giant Network Group Co., Ltd. Mr. Antokol received his Practical Engineering degree, with an emphasis on Electricity, from Ort Braude College.

We believe Mr. Antokol's operational expertise, leadership, historical knowledge and the continuity that he brings to the Board as our founder, Chief Executive Officer and Chairperson of the Board qualify him to continue to serve on the Board.

Mr. Beilinson has a Bachelor of Arts in political science from the University of California, Los Angeles and a Juris Doctor from the University of California Davis Law School.

We believe Mr. Beilinson's over thirty years of service on the boards of both public and private companies, and his extensive knowledge of legal and compliance issues, including the Sarbanes-Oxley Act of 2002, qualify him to continue to serve on the Board.

Biosensors International Group, Ltd. from May 2016 to July 2017 and Hydoo International Holding Ltd. from July 2011 to September 2019. Mr. Yuan received his bachelor's degree in English from Nanjing University and received his master's degree in international relations and his Juris Doctor from Yale University.

We believe Mr. Yuan's extensive experience in corporate finance, investment banking and service on various companies' boards of directors qualifies him to continue to serve on the Board.

### ***Corporate Governance***

#### **Board Composition**

We believe the Board should be composed of individuals with sophistication and experience in many substantive areas that impact our business. We believe that all of our current Board members possess the professional and personal qualifications necessary for Board service and have highlighted particularly noteworthy attributes for each Board member in the individual biographies above.

The Board is currently composed of six members with no vacancies.

Our amended and restated certificate of incorporation (our "Certificate of Incorporation") provides that the authorized number of directors may be changed only by resolution of the Board. Until the date on which Playtika Holding UK II Limited and its affiliates cease to beneficially own, in the aggregate, more than 50% in voting power of our stock entitled to vote generally in the election of directors (a "Triggering Event"), the Board shall be elected annually to serve from the time of election and qualification until the next annual meeting following their election or until their earlier death, resignation and removal. In addition, until a Triggering Event, our stockholders will have the right to remove any of our directors with or without cause by a majority vote of the stockholders. Following a Triggering Event, the Board will be divided into three classes of directors. At each annual meeting of stockholders, a class of directors will be elected for a three-year term to succeed the class whose terms are then expiring, to serve from the time of election and qualification until the third annual meeting following their election or until their earlier death, resignation or removal. In addition, following a Triggering Event, our stockholders will have the right to remove any of our directors only for cause by a majority vote of the stockholders.

Our Certificate of Incorporation provides that the authorized number of directors may be changed only by resolution of the Board. Following a Triggering Event, any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. The division of the Board into three classes with staggered three-year terms may delay or prevent a change of our management or a change in control.

Playtika Holding UK II Limited beneficially owns shares representing more than 50% of the voting power of our shares eligible to vote in the election of directors. As a result, we are a "controlled company" within the meaning of the corporate governance standards of the Nasdaq Stock Market ("Nasdaq"). Under these corporate governance standards, a company of which more than 50% of the voting power is held by an individual, group or another company is a "controlled company" and may elect not to comply with certain corporate governance standards, including the requirements (1) that a majority of the Board consist of independent directors, (2) that the Board have a compensation committee that is comprised entirely of independent directors and (3) that the Board have a nominating and governance committee that is comprised entirely of independent directors. We do not plan to utilize the exemptions available for controlled companies at this time.

#### **Board Leadership Structure**

The Board does not have a policy with respect to whether the role of the Chairperson and the Chief Executive Officer should be separate and, if it is to be separate, whether the Chairperson should be selected from the non-employee directors or be an employee. Mr. Antokol, our Chief Executive Officer, currently serves as Chairperson of the Board. The Board has determined that, like many U.S. companies, this is the appropriate leadership structure for the Company at this time because Mr. Antokol is uniquely positioned to serve as our Chairperson as our Chief

Executive Officer with significant industry experience and depth of knowledge about our operations. The Board acknowledges that no single leadership model is right for all companies at all times. As such, the Board periodically reviews its leadership structure and may, depending on the circumstances, choose a different leadership structure in the future.

### **Director Independence**

The Board determined that each of Mr. Beilinson, Ms. Du, Ms. Gross and Mr. Yuan is an “independent director” as defined under the applicable rules and regulations of the SEC and the listing requirements and rules of Nasdaq. In making these determinations, the Board reviewed information provided by the directors and us with regard to each director’s business and personal activities and current and prior relationships as they may relate to us and our management, including the beneficial ownership of our capital stock by each non-employee director and any transactions involving them described in the section titled “Related Party Transactions.”

### **Board Meetings and Attendance**

The Board met nine times during 2023. All directors attended at least 75% of the aggregate of (i) the total number of meetings of the Board while they were members of the Board, and (ii) the total number of meetings of the committees of the Board on which such directors served during the period he or she served. We encourage our directors to attend annual meetings of stockholders but do not have a formal requirement that they do so. Our directors did not attend the 2023 virtual annual meeting of the stockholders.

### **Role of the Board in Risk Oversight**

The Board has an active role, as a whole and also at the committee level, in overseeing the management of our risks. The Board is responsible for general oversight of risks and regular review of information regarding our risks, including credit risks, cybersecurity risks, liquidity risks and operational risks. The Compensation Committee is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements. The Audit Committee is responsible for overseeing the management of risks relating to accounting matters, financial and cybersecurity reporting. The Audit Committee is also responsible for overseeing the management of risks associated with the independence of the Board and potential conflicts of interest. The Nominating and Corporate Governance Committee is responsible for overseeing our corporate responsibility programs and monitoring the effectiveness of our corporate governance guidelines and principals. Although each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire board of directors is regularly informed through discussions from committee members about such risks. The Board believes its administration of its risk oversight function has not negatively affected the Board’s leadership structure.

### **Code of Business Conduct and Ethics**

We adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of our code of business conduct and ethics is available in the investors section of our corporate website at [www.playtika.com](http://www.playtika.com).

### **Corporate Governance Guidelines**

We adopted corporate governance guidelines that promote the functioning of the Board and its committees and set forth expectations as to how the Board should operate. The guidelines include information about the composition of the Board, orientation and continuing education, director compensation, Board meetings, Board committees, management succession, expectations of directors, and information regarding the performance evaluation of the Board. A current copy of our corporate governance guidelines is available in the investors section of our corporate website at [www.playtika.com](http://www.playtika.com).

## **Compensation Committee Interlocks and Insider Participation**

None of the members of our Compensation Committee is an officer or one of our employees. None of our executive officers currently serves, or in the past year has served, as a member of the Board or Compensation Committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of any entity that has one or more executive officers serving on the Board or Compensation Committee.

## **Anti-Hedging, Anti-Pledging, and Insider Trading Policies**

To ensure proper alignment with our stockholders, we have established policies that prohibit our directors, officers, employees, and their family members from engaging in any transaction that might allow them to realize gains from declines in our securities. Specifically, we prohibit our directors, officers, employees, and their family members from engaging in transactions using derivative securities, short selling our securities, trading in any puts, calls or covered calls, writing purchase or call options and short sales, or otherwise participating in hedging, “stop loss,” or other speculative transactions involving our securities. In addition, margin purchases of our securities and pledging any of our securities as collateral to secure loans is prohibited.

We have established policies that prohibit all directors, officers and employees of the Company and its controlled affiliates in possession of material non-public information about the Company or companies with whom the Company does business to abstain from trading or advising others to trade in the respective company’s securities from the time that they obtain such inside information until adequate public disclosure of the information.

## **Board Committees**

The Board has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, each of which has the composition and the responsibilities described below. In addition, from time to time, special committees may be established under the direction of the Board when necessary to address specific issues.

Each of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee operate under a written charter that was approved by the Board. A copy of each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee charters are available in the investors section of our corporate website at [www.playtika.com](http://www.playtika.com).

## **Audit Committee**

Our Audit Committee oversees our corporate accounting and financial reporting process and assists the Board in monitoring our financial systems. Our Audit Committee is responsible for, among other things:

- appointing, compensating, retaining, evaluating, terminating and overseeing our independent registered public accounting firm;
- discussing with our independent registered public accounting firm their independence from management;
- reviewing with our independent registered public accounting firm the scope and results of their audit;
- approving all audit and permissible non-audit services to be performed by our independent registered public accounting firm;
- overseeing the financial reporting process and discussing with management and our independent registered public accounting firm the interim and annual financial statements that we file with the SEC;
- reviewing and monitoring our accounting principles, accounting policies, financial and accounting controls and compliance with legal and regulatory requirements; and
- establishing procedures for the confidential anonymous submission of concerns regarding questionable accounting, internal controls or auditing matters.

Our Audit Committee consists of Mr. Beilinson, Ms. Gross and Mr. Yuan, with Mr. Beilinson serving as chair. The Board has affirmatively determined that Mr. Beilinson, Ms. Gross and Mr. Yuan each meet the requirements for independence under current Nasdaq listing standards and SEC rules and regulations.

In addition, the Board has determined that each member of our Audit Committee is financially literate, and that each of Mr. Beilinson, Ms. Gross and Mr. Yuan is an “audit committee financial expert” as defined in Item 407(d) of Regulation S-K promulgated under the Securities Act.

Our Audit Committee met four times during the fiscal year ended December 31, 2023.

### **Compensation Committee**

Our Compensation Committee oversees our compensation policies, plans and benefits programs. Our Compensation Committee is responsible for, among other things:

- reviewing and setting or making recommendations to the Board regarding the compensation of our Chief Executive Officer and other executive officers;
- reviewing and approving or making recommendations to the Board regarding our incentive compensation and equity-based plans and arrangements;

- administering our clawback policy.

Our Compensation Committee consists of Ms. Du and Mr. Yuan. The Board has affirmatively determined that each of Ms. Du and Mr. Yuan meets the requirements for independence under the current Nasdaq listing standards and that each is a non-employee director, as defined in Section 16b-3 of the Exchange Act.

Our Compensation Committee met five times during the fiscal year ended December 31, 2023.

### **Nominating and Corporate Governance Committee**

Our Nominating and Corporate Governance Committee oversees and assists the Board in reviewing and recommending nominees for election as directors. Our Nominating and Corporate Governance Committee is responsible for, among other things:

- identifying individuals qualified to become members of the Board, consistent with criteria approved by the Board;
- recommending to the Board the nominees for election to the Board at annual meetings of our stockholders;
- evaluating the overall effectiveness of the Board; and
- developing and recommending to the Board a set of corporate governance guidelines and principles.

Our Nominating and Corporate Governance Committee consists of Mr. Beilinson and Mr. Yuan, with Mr. Yuan serving as chair. The Board has affirmatively determined that each of Mr. Beilinson and Mr. Yuan meet the requirements for independence under the current Nasdaq listing standards, and the composition of our Nominating and Corporate Governance Committee meets the applicable requirements under Nasdaq listing standards.

Our Nominating and Corporate Governance Committee met twice during the fiscal year ended December 31, 2023.

While the Nominating and Corporate Governance Committee does not have any specific, minimum qualifications for Board nominees, in considering possible candidates for election as a director, the committee strives to compose the Board with a collection of complementary skills and which, as a group, will possess the appropriate skills and experience to effectively oversee the Company’s business. In evaluating a potential candidate for the Board, our Nominating and Corporate Governance Committee takes into account a number of factors, including: personal and professional integrity; ethics and values; experience in corporate management, such as current or past service as an officer of a publicly held company; and a general understanding of marketing, finance, and other elements relevant

to the success of a publicly traded company; experience in the Company’s industry; experience as a board member of another publicly held company; academic expertise in an area of the Company’s operations; and practical and mature business judgment, including the ability to make independent analytical inquiries. Although diversity may be a consideration in the Nominating and Corporate Governance Committee’s process, the committee does not have a formal policy regarding the consideration of diversity in identifying director nominees. The Nominating and Corporate Governance Committee will review the qualifications and backgrounds of directors and nominees (without regard to whether a nominee has been recommended by a stockholder), as well as the overall composition of the Board, and recommend the slate of directors to be nominated for election at the next annual meeting of stockholders. The Nominating and Corporate Governance Committee does not currently employ or pay a fee to any third-party to identify or evaluate, or assist in identifying or evaluating, potential director nominees.

If the Board determines to seek additional directors for nomination, the Nominating and Corporate Governance Committee will consider as potential director nominees candidates recommended by various sources, including any member of the Board or senior management. The Nominating and Corporate Governance Committee may also retain a third-party search firm to identify candidates. The committee also considers recommendations for nominees that are timely submitted by stockholders if such recommendations are delivered in the manner prescribed by the advance notice provisions contained in our bylaws. In addition to satisfying the timing, ownership and other requirements specified in our bylaws, a stockholder’s notice must set forth as to each person whom the stockholder proposes to recommend all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, pursuant to Regulation 14A under the Exchange Act and our bylaws (including such person’s written consent to being named in the proxy statement as a nominee and to serve as a director if elected). Properly communicated stockholder recommendations will be considered in the same manner as recommendations received from other sources.

- Robert Antokol, Chairperson of the Board and Chief Executive Officer;

### **2023 Executive Compensation Program and 2023 Say on Pay Vote**

The Compensation Committee believes that the Company’s 2023 executive compensation program effectively balanced shareholder alignment, performance-based pay, retention and the fulfillment of the Company’s obligations under existing employment and other agreements.

Our executive compensation program received the support of approximately 90% of the total votes cast at our 2023 Annual Meeting. These results show continued support of our program, which we view as confirmation of the efforts we have made in the past to develop and enhance our compensation program in a manner that is responsive to stakeholder feedback and further aligns executive compensation with long-term shareholder value creation, while also complying with existing employment and other agreements. Following our 2021 annual meeting, we engaged in outreach efforts with key stakeholders to solicit feedback on compensation and governance matters. In response to feedback on our incentive measures and long-term pay mix, and considering market best compensation practices, the Compensation Committee took prompt and decisive measures to review and make changes in 2022 to our executive compensation program.

The changes we implemented to our executive compensation program during 2022 were carefully developed to incorporate the feedback that we gathered and analyzed from a spectrum of stakeholders, including our key stockholders, proxy advisory firms, the Compensation Committee’s independent compensation consultant, management and our full Board. The result of this extensive outreach was the development, adoption and implementation of an executive compensation program that is more in line with market best practices and stockholder expectations.

As part of our ongoing process of evaluating executive compensation, the Compensation Committee again retained Pearl Meyer & Partners LLC (“Pearl Meyer”), as its independent compensation consultant for 2023, to gain further insight on current pay practices to ensure that our approach going forward effectively balances competitive market practices, stockholder expectations, best-practice governance standards and our business strategy.

Our executive compensation program in 2023 remained largely consistent with the program in effect during 2022.

The Playtika Holding Corp. 2021-2024 Retention Plan (the “Retention Plan”), which has accounted for a large portion of our named executive officers’ total compensation, and which currently makes up the largest component of long-term incentive compensation for our named executive officers, is set to expire at the end of 2024.

## **2023 Executive Compensation Program Highlights**

The following is an overview of certain key features of our 2023 compensation program. **Maintain Executive Officer Stock Ownership Guidelines**

- Robust stock ownership guidelines
  - CEO: 6x base salary
  - Other executive officers: 3x base salary

Each officer must achieve ownership of the required market value of shares within three years of becoming subject to the guidelines. Common stock, common stock beneficially owned by the officer and RSUs count towards the requirement, but shares the officer has a right to acquire through exercising stock options (whether or not vested) are not counted. In addition, unearned performance-based awards are not counted as ownership for purposes of measuring compliance with the guidelines.

**Executive Compensation Philosophy and Objectives**

We believe that for us to be successful, we must hire and retain people who can continue to develop our strategy and innovate our products and services. To achieve these objectives, our executive compensation program has been designed to motivate, reward, attract and retain high caliber management and seeks to align compensation with our short- and long-term business objectives, business strategy and financial performance.

Our compensation programs for our named executive officers are built to support the following objectives:

- attract top talent in our leadership positions and motivate our executives to deliver the highest level of individual and team impact and results;
- ensure each one of our named executive officers receives a total compensation package that encourages the executive’s long-term retention;
- reward high levels of performance with commensurate levels of compensation; and
- align the interests of our executives with those of our stockholders by emphasizing long-term incentives.

## Determination of Compensation

*Role of the Compensation Committee.* The Compensation Committee is responsible for overseeing all aspects of our executive compensation programs, including executive salaries, annual and long-term incentives and any executive perquisites for our named executive officers. The Compensation Committee considers such factors as it determines are appropriate in setting executive compensation, including the recommendations of our Chief Executive Officer (other than with respect to himself), current and past total compensation, company performance and each executive's impact on performance, each executive's relative scope of responsibility and potential, each executive's individual performance and demonstrated leadership and internal equity pay considerations.

*Role of Compensation Consultant.* The Compensation Committee has the authority to engage its own advisors to assist in carrying out its responsibilities. The Compensation Committee retained Pearl Meyer in late 2021 as its independent compensation consultant and continued to retain Pearl Meyer throughout 2023. Pearl Meyer reports directly to the Compensation Committee. Pearl Meyer also communicates with management to gather information and review management proposals as needed. Pearl Meyer's responsibilities include:

- Reviewing and advising on executive compensation program design and policies, including the performance measures to be used under the executive compensation program and goal setting
- Advising on executive compensation philosophy
- Providing analysis and recommendations regarding the composition and selection of our peer group companies
- Conducting executive compensation proxy and survey pay benchmarking
- Assessing peer group annual and long-term incentive plan design practices
- Assessing peer group equity dilution and burn rate practices
- Updating the Compensation Committee with executive compensation and governance trends, best practices, and proxy advisory policy updates
- Advising on other related programs such as stock ownership guidelines, severance, change-in-control severance, clawback policies, etc.

Other than advising the Compensation Committee as described above, Pearl Meyer did not provide any services to the Company in 2023. The Compensation Committee has sole authority to hire, fire and set the terms of engagement with Pearl Meyer. The Compensation Committee assessed the independence of Pearl Meyer, and each other adviser and outside legal counsel that provide advice to the Compensation Committee, pursuant to applicable rules and regulations of the SEC and the Nasdaq Stock Market and concluded that Pearl Meyer and such other advisers are independent. Further, pursuant to SEC rules, the Compensation Committee conducted a conflicts of interest assessment and determined that there is no conflict of interest resulting from retaining Pearl Meyer. The Compensation Committee intends to reassess the independence of its advisers at least annually.

*Role of Management.* In setting compensation for 2023, our Chief Executive Officer worked closely with the Compensation Committee in managing our executive compensation program. Our Chief Executive Officer made recommendations to the Board regarding compensation for our executive officers other than himself because of his daily involvement with our executive team. No executive officer participated directly in the final deliberations or determinations regarding his or her own compensation package.

*Competitive Positioning.* The Compensation Committee reviews our peer group periodically to reflect changes in market capitalization and other factors, including acquisitions. In early 2022, Pearl Meyer assisted the Compensation Committee in identifying an appropriate peer group of companies for use as a reference when determining director

and executive compensation. The peer group identified below was selected in January 2022 and the selection criteria identified below were measured at such date.

The identified peer group consisted of 15 companies selected based on the following characteristics and parameters and not on the basis of executive compensation levels:

<b>MARKET CAPITALIZATION</b>	<ul style="list-style-type: none"> <li>Represents a range of 0.2x to 5.0x of our market capitalization at the time the peer group was established (which was approximately \$7 billion).</li> <li>Our market capitalization was positioned near the 36th percentile of the peers at the time the peer group was selected in January 2022.</li> </ul>
<b>SECTOR</b>	<ul style="list-style-type: none"> <li>Represents public U.S. communication services, consumer discretionary and technology companies.</li> <li>Focuses on gaming/entertainment, technology/internet and leisure time/discretionary spending.</li> </ul>
<b>REVENUE GROWTH</b>	<ul style="list-style-type: none"> <li>Includes high growth companies, by reviewing 1-, 3- and 4-year compound annual growth.</li> <li>Represents companies with double digit historical revenue growth.</li> </ul>
<b>TTM REVENUE</b>	<ul style="list-style-type: none"> <li>Represents a range of 0.3x to 3.0x our trailing twelve month (TTM) revenues at the time the peer group was established (approximately \$2.5 billion at the time the peer group was selected).</li> <li>Our TTM revenue was positioned near the 36th percentile of the peers at the time the peer group was selected in January 2022.</li> </ul>
<b>GEOGRAPHIC LOCATION</b>	<ul style="list-style-type: none"> <li>Focuses on U.S. listed companies.</li> </ul>

For 2023, this peer group remained unchanged, except for the removal of Zynga Inc. which was merged into Take-Two Interactive Software, Inc. in May 2022 and consisted of the following companies:

Activision Blizzard, Inc.	Light & Wonder, Inc.
AMC Networks Inc.	Match Group, Inc.
AppLovin Corporation	Pinterest, Inc.
CyberArk Software Ltd.	Roku, Inc.
DraftKings Inc.	Take-Two Interactive Software, Inc.
Electronic Arts Inc.	Xperi Holding
IAC/InterActiveCorp	Ziff Davis, Inc.

Our Compensation Committee periodically reviews the foregoing comparable company data in connection with its ongoing analysis of the compensation program for our named executive officers. The Compensation Committee does not rely entirely on that data to determine named executive officer compensation. Instead, as described above and consistent with past practice, the Compensation Committee members rely on their judgment and experience in setting those compensation levels and making those awards. As a result, variations on this pay positioning occur from year to year. For 2023, the Compensation Committee elected to leave compensation structure and target compensation levels largely the same as the prior year.

We expect that the Compensation Committee will continue to review comparable company data from time to time in connection with setting the compensation we offer our named executive officers to help ensure that our compensation programs are competitive and fair.

## Elements of Our Executive Compensation Program

The primary elements of our named executive officers' compensation and the main objectives of each are:

- *Base Salary*: Base salary attracts and retains talented executives, recognizes individual roles and responsibilities and provides stable income;
- *Annual Bonus Plan*: Annual performance bonuses help to incentivize executives to work towards key corporate performance objectives on an annual basis;
- *Equity-Based Long-Term Incentive Compensation*: Equity compensation, provided in the form of stock options, restricted stock units ("RSUs") and PSUs, aligns executives' interests with our stockholders' interests, emphasizes long-term financial performance and helps retain executive talent;
- *Retention Plan Awards*:
  - *Appreciation Unit Awards*. Annual performance-based payments promote the achievement of key financial performance objectives and reward executives for their contributions toward achieving those objectives;
  - *Retention Awards*: Retention awards provide for annual payments and help retain executive talent; and
- *Other Benefits and Perquisites*: Our named executive officers are eligible to participate in our health and welfare programs and our retirement programs. Our Israel-based named executive officers also receive other customary or mandatory social benefits in Israel on the same basis as our other full-time Israel-based employees. We also provide certain additional benefits to our named executive officers, which aid in attracting and retaining executive talent.

Each of these elements of compensation is described further below.

### Base Salaries

Base salary is a stable fixed component of our compensation program. Our executive compensation program emphasizes performance-based and retention-based compensation over fixed compensation, and our executive base salaries are set at levels intended to provide a reasonable baseline level of compensation that is relatively low compared to comparable companies. On a prospective basis, we intend to continue to evaluate the mix of base salary, short-term incentive compensation and long-term incentive compensation to appropriately align the interests of our named executive officers with those of our stockholders. Our named executive officers received the following base salaries set forth in the table below during 2023. The base salaries for our named executive officers in 2023 remained the same from 2022 (subject to changes in the exchange rate for officers who were paid in the local currency) except for Mr. Antokol. In light of challenging economic conditions facing the Company and the Company's broader cost-management efforts, Mr. Antokol agreed to reduce his 2023 base salary to the minimum salary required for his position under Israeli law, pursuant to an amendment to his employment agreement. The amendment to Mr. Antokol's employment agreement provides that this salary reduction will remain in effect until December 31, 2024.

Name	Base Salary		Increase (Decrease) in
	2022	2023	Base Salary
Robert Antokol	\$ 349,743	\$ 17,146	(95)%
Craig Abrahams	\$ 350,000	\$ 350,000	— %
Ofer Kinberg	\$ 325,041	\$ 325,041	— %
Shlomi Aizenberg	\$ 325,041	\$ 325,041	— %
Michael Cohen	\$ 385,000	\$ 385,000	— %

The foregoing base salary amounts for our named executive officers Messrs. Antokol, Kinberg and Aizenberg were paid in NIS and have been converted into U.S. Dollars for this table. For purposes of this table, we have used the exchange rate of NIS 3.69: USD \$1.00, which is the exchange rate used for purposes of reporting the named executive officers' base salaries for 2023 in the Summary Compensation Table below.

The actual base salaries paid to our named executive officers for the fiscal year ended December 31, 2023 are reflected in the "2023 Summary Compensation Table" below. In February 2024, the Committee reviewed executive officer base salaries and, on the recommendation of management, determined not to make adjustments to the base salaries for 2024.

### Annual Bonus Plan

We adopted a bonus plan for 2023 pursuant to which annual bonuses will be paid to our employees, including our executive officers, based on a pool that is established by the Board upon consideration of "Retention Plan Adjusted EBITDA" for 2023 and the named executive officers' target annual bonuses. The annual bonus pool is determined by the Compensation Committee based on our results for the applicable year.

"Retention Plan Adjusted EBITDA," as used herein, is a non-GAAP financial measure which means the Adjusted EBITDA of our company and its subsidiaries for the applicable calendar year, increased by the payments in respect of awards under the Playtika Holding Corp. Retention Plan for the applicable year, the amount of retention awards to key individuals associated with acquired companies and certain other adjustments. Adjusted EBITDA, from which Retention Plan Adjusted EBITDA is determined, is also a non-GAAP financial measure which we define as net income before (1) interest expense, (2) interest income, (3) provision for income taxes, (4) depreciation and amortization expense, (5) stock-based compensation, (6) legal settlements, (7) contingent consideration, (8) acquisition and related expenses, (9) expenses under our long-term compensation plan, (10) M&A related retention payments, and (11) certain other items. For a reconciliation of Retention Plan Adjusted EBITDA to net income, please see Appendix A.

The Committee established threshold, target and maximum achievement levels relative to Retention Plan Adjusted EBITDA for 2023, which would result in an annual bonus pool to be allocated to employees, including the executive officers, by our Chief Executive Officer. Our "target" 2023 Retention Plan Adjusted EBITDA was \$930,000,000, which would equate to a bonus pool equal to 7.5% of 2023 Retention Plan Adjusted EBITDA. Our "threshold" 2023 Retention Plan Adjusted EBITDA was set at 90% of "target," which would result in a total bonus pool equal to 6.5% of 2023 Retention Plan Adjusted EBITDA. Our "maximum" 2023 Retention Plan Adjusted EBITDA objective was set at 110% of target, which would result in a total bonus pool equal to 8.5% of 2023 Retention Plan Adjusted EBITDA. Straight-line interpolation is used to calculate payouts associated with actual results falling between goals.

For 2023, our named executive officers' threshold, target and maximum annual bonus opportunities corresponding to the foregoing Retention Plan Adjusted EBITDA threshold, target and maximum objectives and the corresponding bonus pools at each level remained unchanged from 2022 and are reflected in the table below:

<b>Name</b>	<b>Threshold Bonus (\$)</b>	<b>Target Bonus (\$)</b>	<b>Maximum Bonus (\$)</b>
Robert Antokol	1,750,000	3,500,000	7,000,000
Craig Abrahams	1,000,000	2,000,000	4,000,000
Ofer Kinberg	625,000	1,250,000	2,500,000
Shlomi Aizenberg	625,000	1,250,000	2,500,000
Michael Cohen	550,000	1,100,000	2,200,000

Our 2023 Retention Plan Adjusted EBITDA was \$944.4 million, or 101.6% of our “target” Retention Plan Adjusted EBITDA, which resulted in an annual bonus pool equal to 7.66% of 2023 Retention Plan Adjusted EBITDA or \$72.3 million. Based on our 2023 Retention Plan Adjusted EBITDA, each executive received a 2023 annual bonus payout equal to 116% of his target bonus, which was calculated based on straight-line interpolation between the “target” and “maximum” 2023 Retention Plan Adjusted EBITDA objectives. Accordingly, in February 2024, our Compensation Committee approved the following 2023 bonuses to our named executive officers: Mr. Antokol, \$4,042,763; Mr. Abrahams, \$2,310,151; Mr. Kinberg, \$1,443,844; Mr. Aizenberg, \$1,443,844 and Mr. Cohen, \$1,270,583.

In February 2024, the Committee reviewed the target bonuses for the named executive officers and determined not to make adjustments to the target bonuses for the named executive officers for 2024.

#### **Playtika Holding Corp. 2021-2024 Retention Plan**

We maintain the Playtika Holding Corp. 2021-2024 Retention Plan to provide certain key employees and consultants of the company and its subsidiaries the right to receive annual cash retention awards and awards providing an opportunity to participate in the appreciation of the company’s value and in order to retain these key employees and consultants and reward them for contributing to the success of the company and its subsidiaries. The Retention Plan includes performance periods covering calendar years 2021, 2022, 2023 and 2024. The Retention Plan is administered by our Chief Executive Officer, who generally has the authority to approve awards under the plan and generally administer the plan. Initial awards were granted under the Retention Plan in August 2019, with subsequent awards to employees or consultants after such date granted at the discretion of the administrator. The Retention Plan will expire on December 31, 2024.

- *Appreciation Unit Awards.* Participants in the Retention Plan may be granted a number of notional interests, or “Appreciation Units,” representing a right to receive payment of a proportionate interest of the appreciation pool for each calendar year during the term of the plan. Appreciation Units vest on December 31 of each calendar year during the term of the plan for the applicable one-year performance periods, subject to the participant’s continued service through such vesting date. Upon vesting, a participant receives a cash payment in respect of his or her proportionate share of the annual appreciation pool (based on the total number of Appreciation Units outstanding and eligible for payment as of such date), which payment will be made no later than March 15 following the applicable vesting date. For certain participants, including the named executive officers, 50% of the estimated annual payment is paid to the participant in July of each calendar year based on the estimated total annual appreciation pool for such year, with the remaining portion of the payment due to a participant in respect of his Appreciation Units for the calendar year paid following the end of the year as described above. The Retention Plan provides that a maximum of 200,000 Appreciation Units may be awarded.

The annual appreciation pool under the Retention Plan will be determined as follows:

- For 2021, (A) 14% of the Retention Plan Adjusted EBITDA for such calendar year, less (B) \$25,000,000.

- For 2022, (A) 14.5% of the Retention Plan Adjusted EBITDA for such calendar year, less (B) \$25,000,000.
- For each of 2023 and 2024, (A) 15.0% of the Retention Plan Adjusted EBITDA for such calendar year, less (B) \$25,000,000.

For 2023, the appreciation pool under the Retention Plan was equal to (1) 15% multiplied by our Retention Plan Adjusted EBITDA for such calendar year, less (2) \$25,000,000. Adjusted EBITDA for purposes of the Retention Plan, or “Retention Plan Adjusted EBITDA” has the same meaning as Retention Plan Adjusted EBITDA described above under “Annual Bonus Plan.”

In the event of a change in control prior to December 31, 2024, subject to a participant’s continued service on the date of such change in control (except as described below), a participant will receive a cash payment equal to his or her proportionate share of the net change in control appreciation pool (as described below) (based on the number of Appreciation Units outstanding and eligible for payment in respect of such change in control), with such amount referred to as the CIC Eligible Appreciation Amount. Except as otherwise provided in the Retention Plan or in the applicable award agreement, a participant’s CIC Eligible Appreciation Amount shall be paid in cash in four equal annual installments commencing on December 31 of the calendar year in which such change in control occurs, subject to continued service on each payment date. In the event a participant is terminated by the company without cause, resigns for good reason, or is terminated by reason of his or her death or disability (each, as defined in the Retention Plan), in each case following such change in control, the CIC Eligible Appreciation Amount will be paid within 60 days following such termination. Certain participants, including the named executive officers, will be paid their CIC Eligible Appreciation Amount in a lump sum within 30 days following the change in control.

The net change in control appreciation pool will be equal to (1) an amount equal to 12% of the net transaction proceeds received by the company undergoing the change in control (as further defined in the Retention Plan) less (2) the unpaid portion of the total retention pool under the Retention Plan as of such date. For purposes of the Retention Plan, “net transaction proceeds” is determined by either (i) the fair market value of the net consideration to be paid to the equity holders (on a fully diluted basis) in such change in control, or (ii) in the event of the sale, license or other disposition of our assets that constitutes a change in control, the aggregate value of any consideration that would be received by our equity holders if we were liquidated immediately following the consummation of such sale, license or other disposition, in each case, plus debt, plus cash and cash equivalents and restricted cash, and less transaction expenses, subject to certain adjustments.

Under the Retention Plan, a change in control will not be deemed to have occurred unless the net transaction proceeds (calculated prior to giving effect to the calculation of the amounts payable under the Retention Plan) are equal to or greater than \$3.0 billion.

In October 2020, 43,000 Appreciation Units held by Mr. Antokol under the Retention Plan were cancelled. Pursuant to an amendment to the Retention Plan adopted in October 2020, these cancelled Appreciation Units formerly held by Mr. Antokol will be considered “retired units” for purposes of the plan and will be deemed to be outstanding and eligible for payment solely for purposes of determining the per unit value to be paid to participants, but no amounts will be paid to Mr. Antokol or otherwise with respect to such retired units.

- *Retention Awards.* Retention Awards are provided to eligible employees and consultants as an incentive to remain in service with the company during the four-year term of the Retention Plan. Each participant may be awarded a number of notional interests, each, a “Retention Unit”, with each Retention Unit representing a right to receive payment of his or her proportionate interest of the annual retention pool for each such calendar year. A total of 100,000 Retention Units are authorized for issuance under the Retention Plan. Each annual retention pool under the 2021-2024 Retention Plan will be \$25,000,000. Such Retention Units vest on December 31 of each calendar year during the term of the plan, commencing December 31, 2021,

subject to the participant's continued service through such vesting date. Upon vesting, a participant receives a cash payment in respect of his or her proportionate share of the annual retention pool (based on the number of Retention Units outstanding and eligible for payment as of such date), which payment will be made no later than the last day of the calendar month following the applicable vesting date. For certain participants, including the named executive officers, 50% of the estimated annual payment is paid to the participant in July of each calendar year based on the annual retention pool, with the remaining portion of the payment due to a participant in respect of his Retention Units for the calendar year paid following the end of the year as described above.

In the event of a change in control prior to December 31, 2024, subject to a participant's continued service on the date of such change in control (except as described below), a participant will receive a cash payment equal to his or her proportionate share of the unpaid portion of the total retention pool for the remaining term of the Retention Plan as of the date of the change in control (less any deductions for prior payouts to terminated participants) (based on the number of Retention Units outstanding and eligible for payment as of such date), with such amount referred to as the CIC Eligible Retention Amount. The CIC Eligible Retention Amount will be paid to participants pursuant to the same schedule and subject to the same accelerated payment terms as the CIC Eligible Appreciation Amount described above. Certain participants, including the named executive officers, will be paid their CIC Eligible Retention Amount in a lump sum within 30 days following the change in control.

- *Effect of Termination of Service.* For certain participants, in the event of the participant's termination without cause or resignation for good reason, or termination by reason of death or disability, he or she will be eligible to receive a lump sum cash payment equal to his or her proportionate share (based on the number of Retention Units outstanding and eligible for payment as of such date) of the unpaid portion of the total retention pool for the remaining term of the Retention Plan as of the date of termination, which amount shall be paid in cash within 60 days following the date of termination. In the event of such a termination, such participant will also remain eligible to receive payments in respect of his or her Appreciation Units for all vesting dates that have not yet occurred prior to the date of such termination, which payments will be made as and when such payments are made to other Appreciation Unit holders.

For all other participants, in the event of termination due to death or disability on or after January 1, 2021, but prior to December 31, 2024, the participant will receive a payment in respect of his or her proportionate share (based on the number of Retention Units outstanding and eligible for payment as of such date) of the unpaid portion of the total retention pool for the remaining term of the Retention Plan as of the date of termination, pro-rated for the portion of the period between January 1, 2021 and December 31, 2024 that has elapsed prior to termination, payable within 60 days following termination. In addition, the participant will retain the right to receive payments for a pro-rated portion of his or her Appreciation Units for all vesting dates that have not yet occurred prior to the date of such termination, which payments will be made as and when such payments are made to other Appreciation Unit holders.

All payments triggered by a termination of employment or service will be subject to the execution of a general release of claims in favor of the company. If a participant terminates service for any reason other than as described above, the participant will immediately forfeit all unvested Retention Units and Appreciation Units.

#### *Named Executive Officer Awards Under the Retention Plan*

The following table shows the outstanding awards held by our named executive officers under the Retention Plan as of December 31, 2023. None of our named executive officers received additional awards under the Retention Plan in 2023.

As of December 31, 2023, a total of 82,400 Retention Units and 123,722 Appreciation Units were outstanding under the Retention Plan (which does not include the 43,000 Appreciation Units previously held by Mr. Antokol under the

Retention Plan that were cancelled in October 2020, but which continue to be treated as outstanding and eligible for payment, although no payments will be made with respect to such cancelled units).

Our Retention Plan Adjusted EBITDA for 2023 was \$944.4 million resulting in an appreciation pool of approximately \$116.7 million. In addition to that amount, we had \$25.0 million of retention payments per the plan. The amounts earned by our named executive officers for 2023 with respect to their Retention Units and Appreciation Units under the Retention Plan are shown in the “2023 Summary Compensation Table” below.

Name	Retention Plan	
	Retention Units (#)	Appreciation Units (#)
Robert Antokol	45,000	43,000 <sup>(1)</sup>
Craig Abrahams	7,000	8,260
Ofer Kinberg	7,000	8,260
Shlomi Aizenberg	7,000	8,260
Michael Cohen	3,500	4,130

<sup>(1)</sup> In October 2020, 43,000 Appreciation Units held by Mr. Antokol under the Retention Plan were cancelled. However, for purposes of determining future payouts with respect to Appreciation Units under the Retention Plan, these cancelled units will continue to be treated as outstanding and eligible for payment, although no payments will be made with respect to such cancelled units.

As discussed above, the Retention Plan will expire at the end of 2024.

### Equity Compensation

We view equity-based compensation as a critical component of our balanced total compensation program going forward as a public company. Equity-based compensation creates an ownership culture among our employees that provides an incentive to contribute to the continued growth and development of our business and aligns the interests of executives with those of our stockholders. Accordingly, the Board, and the Compensation Committee, from time to time may grant equity incentive awards covering shares of our common stock to our named executive officers and will review their equity incentive compensation going forward. None of our named executive officers received equity awards in 2023.

### Performance Stock Unit Awards

On February 7, 2022, the Compensation Committee approved the grant of PSUs to each of our named executive officers pursuant to the Company’s 2020 Incentive Award Plan, as amended (“2020 Plan”). The PSUs are eligible to vest in four equal installments based on the Company’s annual revenue growth rate over four annual performance periods consisting of calendar years 2022, 2023, 2024 and 2025, with up to 25% of the award eligible to vest each year.

The following table shows the number of PSUs awarded to each named executive officer:

Name	PSUs (#)
Robert Antokol	810,811
Craig Abrahams	378,378
Ofer Kinberg	297,297
Shlomi Aizenberg	297,297
Michael Cohen	202,703

For each annual performance period, up to 25% of the PSUs will be eligible to vest based on the Company's annual revenue growth rate during the applicable performance period relative to threshold, target and maximum achievement levels. The following tables shows the threshold, target and maximum objectives and corresponding achievement levels for the Company's annual revenue growth rate for each annual performance period:

**Annual Revenue Growth Rate for the  
First Annual Performance Period**

Annual Revenue Growth Rate for the First Annual Performance Period	Revenue Growth Achievement Percentage
Less than 1%	0%
1%	50%
7.5%	75%
9% or more	100%

**Annual Revenue Growth Rate for the  
Second, Third and Fourth Annual  
Performance Period**

Annual Revenue Growth Rate for the Second, Third and Fourth Annual Performance Period	Revenue Growth Achievement Percentage
Less than 1%	0%
1%	50%
3%	75%
5% or more	100%

If the Company's annual revenue growth rate for a performance period is between two achievement levels, the achievement percentage will be determined by linear interpolation between the applicable achievement levels. Notwithstanding the foregoing, for Messrs. Antokol, Kinberg and Aizenberg, in no event shall less than 25 PSUs vest during each performance period.

If a named executive officer's employment is terminated by the Company other than for "cause" or by the executive for "good reason" (each, as defined in the 2020 Plan), in each case, prior to a change in control, then the named executive officer will remain eligible to vest in the number of PSUs that would vest during the performance period in which the termination date occurred based on actual performance, prorated to reflect the number of days the executive was employed during such performance period, provided that if such qualifying termination occurs within three months prior to a "change in control" (as defined in the 2020 Plan), all outstanding PSUs at the time of termination will be treated as provided below upon the occurrence of a change in control.

Upon the occurrence of a change in control, all 100% of the outstanding PSUs as of the date of the change in control will be eligible to vest based on the passage of time in substantially equal installments on each December 31 occurring following the change in control through and including December 31, 2025, subject to the executive's continued service through the applicable vesting date; provided that any PSUs eligible to vest based on a completed performance period but which have not yet vested will vest based on actual performance for such completed performance period on the date of the change in control. In the event a named executive officer experiences a qualifying termination after a change in control, but on or prior to December 31, 2025, any outstanding and unvested PSUs will accelerate and vest in full on the date of termination.

### *Achievement of Performance Stock Unit Awards – Second Annual Performance Period*

The second annual performance period for the 2022 PSUs concluded on December 31, 2023. In February 2024, the Compensation Committee determined that the Company's annual revenue growth rate during the applicable performance period was less than 1%, which resulted in a revenue growth achievement percentage of 0%. As a result, only 25 of the PSUs eligible to vest with respect to the 2023 performance for Messrs. Antokol, Kinberg and Aizenberg, vested in February 2024, in accordance with the terms of the PSU award agreement for these executives which provides that no less than 25 PSUs shall vest annually in order to comply with Israeli law. No PSUs vested for Messrs. Abrahams or Cohen.

The following table shows the number of PSUs in which each named executive officer vested in February 2024 based on 2023 performance:

<b>Name</b>	<b>PSUs (#)</b>
Robert Antokol	25
Craig Abrahams	—
Ofer Kinberg	25
Shlomi Aizenberg	25
Michael Cohen	—

### **Perquisites and Other Benefits**

Our named executive officers are provided with certain enhanced benefits to aid in the performance of their respective duties and to provide competitive compensation with executives with similar positions and levels of responsibilities. Each of our named executive officers is provided with a cell phone allowance. Each of our full-time employees is eligible to receive certain other annual benefits. Our executives in Israel may also receive annual holiday and service recognition gifts from us, a food allowance and the ability to participate in a company-sponsored camp for our employees' children, each of which is a benefit we provide to all of our Israel-based employees.

We also provide security for Mr. Antokol and his family. The decision to provide Mr. Antokol with the personal security benefit was prompted by the results of an analysis provided by an independent professional consulting firm specializing in executive safety and security. Based on these results, the Board approved personal security services to Mr. Antokol and his family. We also maintain a corporate aircraft that is used primarily for business travel by our executive officers. The Board, based on the foregoing executive safety and security analysis, has determined that Mr. Antokol will be required to use our corporate aircraft for all travel (or otherwise via private air travel), including non-business travel. However, during 2023, due to operational circumstances or the cost of a private aircraft, Mr. Antokol occasionally travelled by commercial airline. During 2023, Mr. Antokol reimbursed the company for the full incremental cost to the company of any personal aircraft use. On occasion, our executive officers may have family members and other guests accompany them on our corporate aircraft when traveling on business, but we do not incur any incremental cost as a result of such family or guest travel.

*Tax Gross-Ups.* Pursuant to Messrs. Abrahams and Cohen's award agreements under the Retention Plan and the 2020 Plan, in the event a change in control occurs and an excise tax is imposed by reason of the application of Sections 280G and 4999 of the Internal Revenue Code as a result of any compensatory payments made to Messrs. Abrahams and Cohen under such arrangements in connection with such change in control, each executive will be entitled to an additional "gross-up" payment in an amount equal to any such excise tax plus any taxes resulting from such payments. Additionally, from time to time, we make gross up payments to cover the personal income taxes for Messrs. Antokol, Kinberg and Aizenberg with respect to taxable income recognized by them as a result of company-paid holiday-related gifts, health insurance, and costs associated with company-paid business meetings that are taxable under Israeli law, as well as their children's participation in a company-sponsored camp, as detailed in the footnotes to the "2023 Summary Compensation Table" below.

## Retirement and Other Benefits

*Health and Welfare Benefits for U.S. Employees.* All of our full-time U.S. employees, including our U.S.-based named executive officers Messrs. Abrahams and Cohen, are eligible to participate in our health and welfare plans on the same basis, including:

- medical, dental and vision benefits;
- medical and dependent care flexible spending accounts;
- short-term and long-term disability insurance; and
- life and accidental death and disability insurance.

*U.S. 401(k) Plan.* Our U.S.-based employees who satisfy certain eligibility requirements are also eligible to participate in a 401(k) retirement savings plan. The Internal Revenue Code allows eligible employees to defer a portion of their compensation, within prescribed limits, on a pre-tax basis through contributions to the 401(k) plan. Currently, we match contributions made by participants in the 401(k) plan up to a specified percentage of the employee contributions, and these matching contributions are subject to a three-year vesting schedule. We believe that providing a vehicle for tax-deferred retirement savings through our 401(k) plan, and making matching contributions, adds to the overall desirability of our executive compensation package and further incentivizes our employees, including our named executive officers, in accordance with our compensation policies.

*Benefits to Israeli Employees.* Generally, benefits available to our Israel-based employees are available to all Israel-based employees on the same basis, which include welfare benefits, annual vacation leave, sick leave, convalescence pay, military duty leave, transportation expense reimbursement, advanced study fund, life and disability insurance and other customary or mandatory social benefits in Israel. We make monthly contributions to funds administered by financial institutions for certain pension and severance liabilities on behalf of each of our Israel-based employees, including our Israel-based named executive officers, subject to certain conditions. The amount of these contributions is based on a percentage of the employee's salary, taking into account any base salary thresholds under Section 14 of the Israeli Severance Pay Law—1963. Generally, company contributions to a pension insurance policy, manager's insurance policy and/or pension fund, or a combination (based on the employee's personal choice), up to a total of 14.83% of an employee's determining salary, or applicable portion thereof, of which up to 8.33% is a severance pay component contributed to a severance fund (applying the arrangement in accordance with Section 14 of the Israeli Severance Pay Law—1963), and up to 6.5% of which is applied to compensatory payments. These severance contributions under Section 14 of the Israeli Severance Pay Law—1963 satisfy in full our statutory severance pay obligation for our Israel-based employees. The compensatory payment component is applied to fund pension and/or disability benefits for the employee. Our Israel-based employees make a corresponding contribution of up to 6% of their salary.

## Severance Benefits

We are party to employment agreements with our Israel-based named executive officers. Mr. Antokol's employment agreement provides for severance benefits upon his qualifying termination. In addition, all of our Israel-based named executive officers are entitled to severance pay upon termination of employment for any reason, including retirement, according to Section 14 of the Israeli Severance Pay Law—1963. We make a contribution on a monthly basis for each of our Israel-based employees, including our Israel-based named executive officers, of 8.33% of their monthly salary to a severance fund for this purpose. Section 14 states that company's contributions for severance pay shall be in lieu of severance compensation and, upon release of the policy to the employee, no additional obligations shall be conducted between the parties regarding the matter of severance pay and no additional payments shall be made by the company to the employee unless otherwise specified in a written agreement between the company and the employee.

A description of these arrangements is set forth under “—Employment Agreements” below, and information on the estimated payments and benefits that our named executive officers would have been eligible to receive as of December 31, 2023, is set forth in “—Potential Payments Upon Termination or Change in Control” below.

## Governance, Tax and Accounting Considerations

As a general matter, the Board reviews and considers the various tax and accounting implications of compensation programs we utilize.

*Ownership Guidelines.* In addition to the elements of executive officer compensation described below, we have adopted stock ownership guidelines pursuant to which our executive officers are required to hold a number of shares of our common stock having a market value equal to or greater than a multiple of each executive's base salary. Each officer must achieve ownership of the required market value of shares within three years of becoming subject to the guidelines. Common stock, common stock beneficially owned by the officer and RSUs count towards the requirement, but shares the officer has a right to acquire through exercising stock options (whether or not vested) are not counted. In addition, unearned performance-based awards are not counted as ownership for purposes of measuring compliance with the guidelines. Our stock ownership guidelines are as follows:

<b>Executive</b>	<b>Ownership Requirement as a Multiple of Base Salary</b>
Robert Antokol	6x
All other executive officers	3x

As of the date hereof, each of our executive officers met the stock ownership requirements.

*Deductibility of Executive Compensation.* Section 162(m) of the Code denies a publicly-traded corporation a federal income tax deduction for remuneration in excess of \$1 million per year per person paid to executives designated in Section 162(m) of the Code, including, but not limited to, its chief executive officer, chief financial officer, and the next three highly compensated executive officers. However, we believe that maintaining the discretion to provide compensation that is non-deductible allows us to provide compensation tailored to the needs of our company and our named executive officers and is an important part of our responsibilities and benefits our stockholders.

*Accounting for Share-Based Compensation.* We account for share-based payments, including our long-term equity incentive program, in accordance with the requirements of the Financial Accounting Standards Board ("FASB"), Accounting Standards Codification Topic 718.

*Risk Considerations.* In establishing and reviewing our executive compensation program, the Compensation Committee considers whether the program encourages unnecessary or excessive risk-taking and has concluded that it does not. See the section entitled "Corporate Governance—Role of the Board in Risk Oversight" above for an additional discussion of risk considerations.

*Prohibition on Hedging, Pledging, and Short Sales.* We prohibit our directors, officers, employees, and their family members from engaging in transactions using derivative securities, short selling our securities, trading in any puts, calls or covered calls, writing purchase or call options and short sales, or otherwise participating in hedging, "stop loss," or other speculative transactions involving our securities. In addition, margin purchases of our securities and pledging any of our securities as collateral to secure loans is prohibited. See the section entitled "Corporate Governance—Anti-Hedging and Anti-Pledging Policies" above for an additional discussion of our anti-hedging and anti-pledging policies.

*Clawback Policy.* We have adopted a clawback policy that requires the recovery of certain erroneously paid incentive compensation received by our Section 16 officers on or after October 2, 2023, as required by new SEC rules and Nasdaq Listing Standards implemented pursuant to the Dodd-Frank Act. Under our clawback policy, in the event that we are required to prepare an accounting restatement, we will attempt to recover from our current or former Section 16 officers the pre-tax amount of any erroneously awarded incentive compensation as required by such rules and listing standards. For purposes of the clawback policy, incentive compensation means any

compensation that is granted, earned or vested based wholly or in part upon the attainment of any measures determined and presented in accordance with the accounting principles used in preparing the Company's financial statements, and any measures that are derived wholly or in part from such measures, as well as stock or share price and total shareholder return.

<sup>(2)</sup> The RSUs will vest on December 31, 2024, subject to the executive's continued service on such date. In addition to any accelerated vesting pursuant to the terms of the 2020 Plan, the RSUs are subject to accelerated vesting as described under "Potential Payments Upon Termination or Change in Control."

<sup>(3)</sup> Represents the PSUs that vested in February 2024. The second annual performance period for the 2022 PSUs concluded on December 31, 2023. In February 2024, the Compensation Committee determined that the Company's annual revenue growth rate during 2023 was less than 1%, which resulted in a revenue growth achievement percentage of 0%. As a result, only 25 of the PSUs eligible to vest with respect to the 2023 performance for Messrs. Antokol, Kinberg and Aizenberg, vested, subject to the named executive officers' continued employment through the determination date in February 2024.

<sup>(4)</sup> Represents PSUs that remain eligible to vest based on the Company's annual revenue growth rate over the one-year annual performance periods ending December 31, 2024 and 2025. The number of PSUs in which a named executive officer remains eligible to vest is reported in the "Equity Incentive Plan Awards: Number of Unearned Shares, Units or Other Rights That Have Not Vested" column assuming performance at 100%.

<sup>(5)</sup> Represents RSUs granted in connection with the Option Exchange. The RSUs will vest quarterly in substantially equal installments over the three year period commencing on December 15, 2022, subject to executive's continued service on the applicable vesting date.

### ***Option Exercises and Stock Vested in 2023***

### ***Pension and Non-Qualified Deferred Compensation***

None of our named executive officers participated in any pension or non-qualified deferred compensation plans during 2023.

### ***Employment Agreements***

We are a party to employment agreements with each of Messrs. Antokol, Aizenberg and Kinberg, as described below. Any potential payments and benefits due upon a termination of employment or a change in control under the employment agreements with our named executive officers are quantified below in “-Potential Payments upon Termination or Change in Control.”

#### **Robert Antokol Employment Agreement**

In December 2011, we entered into an employment agreement with Robert Antokol, our Chief Executive Officer. The employment agreement, as amended, is not for any specific term and may be terminated by either party upon six months’ prior written notice, or immediately by us for cause.

Pursuant to the employment agreement, Mr. Antokol is entitled to the annual base salary described above, which was increased from time to time and recently decreased temporarily. Mr. Antokol is also entitled to a monthly transportation allowance, as required by Israeli law and provided to all full-time Israeli employees on the same basis, and use of a company cell phone. We also make monthly contributions on Mr. Antokol’s behalf to funds administered by financial institutions for certain pension, severance and disability benefits and certain non-obligatory contributions to an education fund for Mr. Antokol, as further described above under “Compensation Discussion and Analysis-Retirement and Other Benefits-Benefits to Israeli Employees.” In the event that Mr. Antokol’s employment is terminated for any reason other than for cause, he will be entitled to receive all amounts accrued in the fund or policy to which the company’s severance contributions were paid during his employment. In addition, in the event we terminate Mr. Antokol’s employment other than for cause, or he resigns for good reason, in each case as defined in his employment agreement, we will be obligated to pay to him a lump sum cash payment equal to six months’ base salary.

Mr. Antokol’s employment agreement is governed by the laws of the State of Israel. In connection with his employment agreement, Mr. Antokol also executed a confidentiality, unfair competition and intellectual property assignment agreement, which contains non-solicitation and non-competition covenants (each of which remains in

effect during the term of employment and for a period of 12 months following termination of employment) and confidentiality and assignment of invention covenants.

For purposes of Mr. Antokol's employment agreement, "cause" means (1) his willful failure to substantially perform his duties or to follow a lawful, reasonable directive from the Board (other than any such failure resulting from incapacity due to physical or mental illness), after a written demand for substantial performance is delivered by the Board which specifically identifies the failure and such failure continues for a reasonable time thereafter, (2) his willful act of fraud, embezzlement or theft, (3) his admission in any court, or conviction of, or plea of nolo contendere to, a felony (excluding offenses with respect to traffic violations), (4) a finding that he is unsuitable for a gaming license or that his gaming license should be denied or revoked by the gaming regulatory authorities (5) his willful and material violation of, or noncompliance with, any securities laws or stock exchange listing rules, provided that such violation or noncompliance resulted in material economic harm to us or our affiliates, or (6) if the Board, in good faith, believes that he is or might be engaged in or is about to be engaged in any activity or activities which could adversely affect our business, after a written demand for substantial performance is delivered to by the Board which specifically identifies such activity and his failure to demonstrate that he is not engaged in such activity.

For purposes of Mr. Antokol's employment agreement, "good reason" means the occurrence, described in a written notice of termination of employment to us from Mr. Antokol, of any of the following circumstances without his express prior written consent, unless such circumstances are fully corrected to his full satisfaction within 30 days following delivery of such written notice: (1) a reduction by us in his annual base salary or other benefits; (2) our requiring him to be based anywhere more than 60 kilometers from his existing primary business location, (3) our failure to pay him any portion of his compensation within ten days of the date on which such compensation is due, (4) a material diminution of his duties or responsibilities, or (5) our material breach of his employment agreement which is not cured within 30 days following written notice by him to us of such breach.

#### **Employment Agreements with Other Named Executive Officers**

In May 2011 and December 2011, we entered into an employment agreement with each of Ofer Kinberg, our Chief Revenue Officer, and Shlomi Aizenberg, our Chief Operating Officer, respectively. Each executive's employment agreement is not for any specific term and may be terminated by either party upon 30 days' prior written notice, or immediately by us for cause.

Pursuant to each executive's employment agreement, Messrs. Aizenberg and Kinberg are entitled to the annual base salary described above, which were increased from time to time. Each executive is also entitled to a monthly transportation allowance, as required by Israeli law and provided to all full-time Israeli employees on the same basis, and use of a company cell phone. We also make monthly contributions on each executive's behalf to funds administered by financial institutions for certain pension, severance and disability benefits and certain non-obligatory contributions to an education fund for each executive, as further described above under "Compensation Discussion and Analysis-Retirement and Other Benefits-Benefits to Israeli Employees." In the event that an executive's employment is terminated for any reason other than for cause, the executive will be entitled to receive all amounts accrued in the executive's fund or policy to which the company's severance contributions were paid during his employment, which payment is intended to satisfy the company's obligations under Section 14 of the Israeli Severance Pay Law-1963.

Each of Messrs. Aizenberg and Kinberg's employment agreement is governed by the laws of the State of Israel. In connection with their employment agreements, each executive also executed a confidentiality, inventions, non-competition and non-solicitation agreement, which contains non-solicitation and non-competition covenants (each of which remains in effect during the term of employment and for a period of six months (12 months for Mr. Kinberg's non-competition covenant) following termination of employment) and confidentiality and assignment of invention covenants.

For purposes of Messrs. Aizenberg and Kinberg's employment agreement, "cause" means (1) his commission of a criminal offense, (2) his breach of duties of trust or loyalty to the company, (3) his material breach of the

employment agreement which has not been cured within 15 days after receipt of notice from the company containing a description of such breach, (4) his cause of harm to the company's business affairs, (5) his breach of any of the provisions of the confidentiality, inventions, non-competition and non-solicitation agreement, and/or (6) circumstances that constitute "cause" or do not entitle him to severance payments under any applicable law and/or under any judicial decision of a competent tribunal.

***Potential Payments Upon Termination or Change in Control***

The table below quantifies certain compensation and benefits that would have become payable to each of our named executive officers if his or her employment had terminated on December 31, 2023, as a result of each of the termination scenarios described below, or in the event of a change in control of the company on December 31, 2023. The severance funds provided to our Israel-based named executive officers under the third-party severance funds to which the company contributes under applicable law, as described above under "-Employment Agreements," are not included in the table below as those benefits are provided on a non-discriminatory basis to all Israel-based employees.

<sup>(1)</sup> Represents six months base salary for Mr. Antokol payable upon our termination of his employment other than for cause or his resignation for good reason under his employment agreement, payable in a lump sum. The amount reflected in this column is based on Mr. Antokol's base salary for 2023 as reflected in the Summary Compensation Table.

<sup>(2)</sup> Represents the aggregate value of the accelerated vesting of the RSU awards granted to the named executive officers, calculated by multiplying the fair market value of our common stock by the number of RSUs, the vesting of which accelerates in connection with the applicable triggering event. The RSUs will vest on an accelerated basis as follows: (a) in the event of the executive's termination by us without "cause" or resignation for "good reason" (each, as defined in the 2020 Plan), (b) in the case of Mr. Antokol, in the event of his death, (c) in the case of Mr. Antokol, in the event of his disability, or (d) upon a change in control (as defined in the 2020 Plan), subject (in the case of clauses (a) through (c)) to the execution and the

effectiveness of a general release of claims in a form reasonably acceptable to us. The value in the table above assumes a fair market value per share of \$8.72, which is the closing price of our common stock on December 29, 2023, the last trading day of 2023.

- (3) Represents the aggregate value of the accelerated vesting of the PSU awards granted to our named executive officers, calculated by multiplying the fair market value of our common stock by the number of PSUs, the vesting of which accelerates in connection with the applicable triggering event. The PSUs will vest on an accelerated basis as follows: in the event of the executive's termination by us without "cause" or resignation for "good reason" (each, as defined in the 2020 Plan), in each case, prior to a change in control, then the executive will remain eligible to vest in the number of PSUs that would vest during the performance period in which the termination date occurred based on actual performance, prorated to reflect the number of days the executive was employed during such performance period, provided that if such qualifying termination occurs within three months prior to a change in control, all outstanding PSUs at the time of termination will be treated as provided below upon the occurrence of a change in control. Upon the occurrence of a change in control, 100% of the outstanding PSUs as of the date of the change in control will be eligible to vest based on the passage of time in substantially equal installments on each December 31 occurring following the change in control through and including December 31, 2025, subject to the executive's continued service through the applicable vesting date; provided that any PSUs eligible to vest based on a completed performance period but which have not yet vested will vest based on actual performance for such completed performance period on the date of the change in control. In the event a named executive officer experiences a qualifying termination after a change in control, but on or prior to December 31, 2025, any outstanding and unvested PSUs will accelerate and vest in full on the date of termination.

The value in the table above assumes a fair market value per share of \$8.72, which is the closing price of our common stock on December 29, 2023. For purposes of the "Termination without Cause or Resignation for Good Reason" column in the table above, we have reflected the value of the number of PSUs that vested with respect to 2023 performance, as determined by our Compensation Committee in February 2024, without proration. For purposes of the "Change in Control" column in the table above, we have assumed that a qualifying termination occurred concurrently with the change in control and the value included in the table above reflects the number of PSUs that vested with respect to 2023 performance, as determined by our Compensation Committee in February 2024, and the remaining unvested PSUs eligible to vest based on performance during 2024 and 2025.

- (4) Represents the expected amounts payable in respect of each named executive officer's Retention Units upon the applicable triggering event. In the event of a named executive officer's death or disability, or termination without cause or resignation for good reason, in each case prior to a change in control, a named executive officer will receive a payment equal to his proportionate share of any unpaid portion of the aggregate retention pool for any year not yet completed under the Retention Plan in a lump sum within 60 days following such termination. Upon a change in control occurring on December 31, 2023, provided a named executive officer had not experienced a termination of employment prior to such date, a named executive officer would receive a payment equal to his proportionate share of any unpaid portion of the retention pool under the Retention Plan in a lump sum within 30 days following such change in control. The named executive officers vested in the payments for 2023 in respect of their Retention Units under the Retention Plan on December 31, 2023, so those amounts are not included in the table above. We have calculated each named executive officer's expected payments in respect of his Retention Units based on the number of expected outstanding Retention Units under the Retention Plan as of December 31, 2023, that would have been eligible for payment on such date under the circumstances described in the table. The named executive officers must comply with a one-year non-compete provision and execute a release of claims in order to receive the foregoing Retention Plan benefits.
- (5) Represents the amounts payable in respect of each named executive officer's Appreciation Units upon the applicable triggering event. In the event of a named executive officer's death or disability, or termination without cause or resignation for good reason, in each case prior to a change in control, a named executive

officer will remain eligible to receive payments in respect of his or her Appreciation Units in accordance with the terms of the Retention Plan for any year not yet completed. With respect to the value of the Appreciation Units under the Retention Plan payable in the event of a named executive officer's death or disability, or termination without cause or resignation for good reason, in each case prior to a change in control, the amount reflected in the table above was calculated by assuming that the Retention Plan Adjusted EBITDA for purposes of the Retention Plan for 2024 is equal to the Retention Plan Adjusted EBITDA for 2023, \$944.4 million, multiplied by 15%, less \$25,000,000, and that the outstanding number of Appreciation Units eligible for payment remains unchanged from the number of units outstanding at December 31, 2023, although the payments ultimately paid to the named executive officers for 2024 would be based on the final appreciation pool for such year and the units eligible for payment at the end of the applicable year.

Upon a change in control occurring on December 31, 2023, provided a named executive officer had not experienced a termination of employment prior to such date, a named executive officer would have received a payout of his or her proportionate share of the change in control appreciation pool determined under the Retention Plan in a lump sum within 30 days following such change in control.

The named executive officers vested in the payments for 2023 in respect of their Appreciation Units under the Retention Plan on December 31, 2023, so those amounts are not included in the table above. We have calculated each named executive officer's payments in respect of his Appreciation Units based on the number of outstanding Appreciation Units under the Retention Plan as of December 31, 2023, that were eligible for payment on such date under the circumstances described in the table. In October 2020, 43,000 Appreciation Units held by Mr. Antokol under the Retention Plan were cancelled, however these cancelled Appreciation Units will be considered "retired units" for purposes of the Retention Plan and will be deemed to be outstanding and eligible for payment solely for purposes of determining the per unit value to be paid to participants, but no amounts will be paid to Mr. Antokol or otherwise with respect to such retired units.

For purposes of this table, with respect to the value of the Appreciation Units payable upon a change in control occurring on December 31, 2023, the change in control appreciation pool under the Retention Plan was calculated assuming "net transaction proceeds" in such change in control (as such term is defined in the Retention Plan) of \$6,875,041,902, calculated by multiplying the closing price of our common stock on December 29, 2023 (\$8.72), multiplied by the number of shares of common stock outstanding as of such date (calculated on a fully diluted basis to include all outstanding stock options and RSUs as of such date (less the aggregate exercise price per share of such stock options)), plus outstanding debt on December 31, 2023 (\$2,452,500,000), plus the amount of cash and cash equivalents on December 31, 2023 (\$1,029,699,000), less transaction expenses (estimated for purposes of this table at \$27,000,000).

- <sup>(6)</sup> Upon a change in control, certain payments made to Messrs. Abrahams and Cohen under the Retention Plan could be subject to the excise tax imposed on "excess parachute payments" by the Internal Revenue Code. Pursuant to their award agreements under the Retention Plan and the 2020 Plan, Messrs. Abrahams and Cohen are eligible for reimbursement for a gross-up payment for any excise taxes payable pursuant to Sections 280G and 4999 of the Internal Revenue Code arising as a result of the receipt of benefits and payments under the Retention Plan and the 2020 Plan (and any federal, state and local taxes applicable to such gross-up payment (including any penalties and interest)). For Messrs. Abrahams and Cohen, this column includes the estimated amount of reimbursement for excise taxes payable pursuant to Sections 280G and 4999 of the Internal Revenue Code arising as a result of the receipt of benefits and payments as a result of the applicable triggering event, and such estimated amount is based on the assumptions noted above for the expected amounts payable upon the applicable triggering event. The estimates of "excess parachute payments" for purposes of these calculations do not take into account any mitigation for payments which could be shown (under the facts and circumstances) not to be contingent on a change in control or for any payments being made in consideration of noncompetition agreements or as reasonable compensation.

## CEO Pay Ratio

As required by Section 953(b) of the Dodd-Frank Act, and Item 402(u) of Regulation S-K, we are providing the following information regarding the relationship of the annual total compensation of our median compensated employee (“Median Compensated Employee”) to the annual total compensation of Robert Antokol, our CEO. We consider the pay ratio specified below to be a reasonable estimate, calculated in a manner that is intended to be consistent with the requirements of Item 402(u) of Regulation S-K.

For 2023, our last completed fiscal year:

- the annual total compensation of our Median Compensated Employee, calculated in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, was \$98,821; and
- the annual total compensation of our CEO, as reported in the Summary Compensation Table included above, was \$48,989,446.

Based on this information, for 2023, our CEO’s annual total compensation was approximately 496 times that of the median of the annual total compensation of all of our employees (other than the CEO). In identifying our Median Compensated Employee for our fiscal 2023 CEO pay ratio, we used “base salary” compensation, which was consistently applied to all of our employees included in the calculation. “Base salary” compensation consists of base salary as reported in our payroll data through December 31, 2023. “Base salary” compensation of our employees outside the U.S. were converted to U.S. dollars by taking the aggregate salary for a month in the local currency and converting that amount to U.S. dollars using the average exchange rate for such month for the applicable currency as published at <https://x-rates.com> and aggregating such converted amounts for all twelve months in fiscal 2023. In identifying our Median Compensated Employee, we annualized base salary for all full-time and part-time employees who did not work the full 2023 fiscal year. Base salary for temporary employees was not annualized.

To identify our Median Compensated Employee for fiscal 2023, we used our global employee population effective on December 31, 2023. As of this date, our employee population was approximately 3,800 employees. This total includes all full-time, part-time and temporary employees with no exclusions.

For additional information about the assumptions used to value our stock and option awards, please see Note 13 of the Notes to Consolidated Financial Statements included in our Annual Report on Form 10-K for the

The Board has adopted a written related person transaction policy setting forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers, with certain exceptions set forth in Item 404 of Regulation S-K under the Securities Act, any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we were or are to be a participant, where the amount involved exceeds \$120,000 in any fiscal year and a related person had, has or will have a direct or indirect material interest, including without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness and employment by us of a related person. In reviewing and approving any such transactions, our Audit Committee is tasked to consider all relevant facts and circumstances, including, but not limited to, whether the transaction is on terms comparable to those that could be obtained in an arm’s length transaction and the extent of the related person’s

interest in the transaction. All of the transactions described in this section occurred prior to the adoption of this policy.

## Security Ownership of Certain Beneficial Owners and Management

The following table sets forth information with respect to the beneficial ownership of our common stock, as of April 16, 2024, by:

- each person or group of affiliated persons known by us to beneficially own more than 5% of our common stock;
- each of our named executive officers;
- each of our directors; and
- all of our executive officers and directors as a group.

The number of shares beneficially owned by each stockholder is determined under rules issued by the SEC. Under these rules, a person is deemed to be a “beneficial” owner of a security if that person has or shares voting power or investment power, which includes the power to dispose of or to direct the disposition of such security. Except as indicated in the footnotes below, we believe, based on the information furnished to us, that the individuals and entities named in the table below have sole voting and investment power with respect to all shares of common stock beneficially owned by them, subject to the terms of the equity plan stockholders agreement and any applicable community property laws.

Percentage ownership of our common stock is based on 371,128,120 shares of our common stock outstanding as of April 16, 2024. In computing the number of shares beneficially owned by an individual or entity and the percentage ownership of that person, shares of common stock subject to options, warrants or other rights held by such person that are currently exercisable or that will become exercisable within 60 days of April 16, 2024, are considered outstanding, although these shares are not considered outstanding for purposes of computing the percentage ownership of any other person.

Unless noted otherwise, the address of each beneficial owner is c/o Playtika Ltd. HaChoshlim St 8, Herzliya Pituach, Israel.

### ***How do I attend the Annual Meeting?***

To attend the virtual Annual Meeting, log in at [www.proxydocs.com/PLTK](http://www.proxydocs.com/PLTK) and register in advance. Following registration, you will receive instructions regarding virtual attendance at the Annual Meeting and how to vote your shares at the Annual Meeting, along with your unique link to attend the Annual Meeting, via email. Stockholders will need their unique control number which appears on the Notice (printed in the shaded box) and the instructions that accompanied the Proxy Materials. If your shares of common stock are held by a bank, broker or other holder of record, and you do not have a control number, please contact your broker, bank, or other holder of record as soon as possible, so that you can be provided with a control number and register to gain access to the Annual Meeting.

### ***What is the purpose of the Annual Meeting?***

At the Annual Meeting, stockholders as of the close of business on the record date, April 16, 2024, will consider and vote upon:

- The election of six director nominees named in this Proxy Statement to serve until the 2025 annual meeting of stockholders and until their respective successors are duly elected and qualify;
- The ratification of the appointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as our independent registered public accounting firm for the fiscal year ending December 31, 2024;
- A non-binding advisory proposal to approve the compensation of our named executive officers as described in this Proxy Statement (also known as the “say-on-pay” vote); and
- The transaction of such other business as may properly come before the Annual Meeting or any postponement or adjournment of the Annual Meeting.

### ***Who is entitled to vote at the Annual Meeting?***

Holders of our common stock at the close of business on April 16, 2024, are entitled to receive notice of and to vote their shares at the Annual Meeting. As of that date, there were 371,128,120 shares of common stock outstanding and entitled to vote. Each outstanding share of our common stock is entitled to one vote on each matter properly brought before the Annual Meeting or any postponement or adjournment thereof.

### ***How will I receive my Proxy Materials for the Annual Meeting?***

Beginning on or about April 26, 2024, Proxy Materials (including the Proxy Statement, proxy card, and Annual Report) for the Annual Meeting will be sent via e-mail or mail to our stockholders of record in accordance with their preference if indicated previously. If a preference has not been specified, we will either mail to those stockholders our Proxy Materials or a Notice of Availability of Proxy Materials (the “Notice”) which contains instructions on how to access our materials by mail, e-mail, or on the Internet.

In accordance with the SEC notice and access rule, the Notice allows us to provide our stockholders with the information they need to vote through various means, while lowering the costs of print and delivery and reducing the environmental impact of the Annual Meeting. The Notice is not a proxy and may not be used to authorize a proxy to vote your shares. If you receive a Notice this year, you will not receive paper copies of the Proxy Materials unless you request the materials by following the instructions on the Notice or by accessing the website identified on the Notice.

***What is the difference between holding shares as a stockholder of record or as a beneficial owner?***

If your shares are registered directly in your name with our transfer agent, American Stock & Transfer Company, LLC, you are considered a “stockholder of record.” This year we have engaged the services of Mediant Communications Inc. to mail our Proxy Materials or Notice to our registered holders.

If your shares are held by a bank, in a brokerage account, or other holder of record, you are considered a “beneficial owner” of shares held in street name. The Proxy Materials or Notice may be forwarded to you by your bank, broker, or other holder of record. As the beneficial owner, you have the right to direct your bank, broker, or other holder of record on how to vote your shares by following their instructions for authorizing your proxy.

***Is it necessary to vote if my shares are held in my brokerage account?***

It is important to vote your shares even if your shares are held in a brokerage account. Otherwise, your shares may not be voted on certain matters unless you provide voting instructions to your bank, broker or other holder of record. If you are unsure, please vote your shares using the voting information provided.

***How do I vote?***

You may vote or authorize a proxy to vote using any of the following methods:

**By Internet**

Authorize a proxy to vote your shares via the website [www.proxypush.com/PLTK](http://www.proxypush.com/PLTK), which is available 24 hours per day until the start of the Annual Meeting. In order to authorize your proxy, you will need to have available the control number that appears on the voting instructions included in the Proxy Materials that you received. If you authorize your proxy via the Internet, you do not need to return your proxy or voting instruction card.

**By Telephone**

Authorize a proxy to vote your shares by calling toll-free at 844-311-3915, 24 hours per day until the start of the Annual Meeting. When you call, please have the voting instructions in hand that accompanied the Proxy Materials you received, along with the control number that appears therein. Follow the series of prompts to instruct your proxy how to vote your shares. If you authorize your proxy by telephone, you do not need to return your proxy or voting instruction card.

**By Mail**

If you received and/or requested via the Notice a printed set of the Proxy Materials (including the Proxy Statement, proxy card, and Annual Report), authorize a proxy to vote your shares by completing, signing, and returning the proxy in the prepaid envelope provided.

**Virtual Meeting Access**

Vote your shares by logging onto and voting at the virtual Annual Meeting at [www.proxydocs.com/PLTK](http://www.proxydocs.com/PLTK) by following the instructions provided to you via email after completing the registration procedures described on the website. Please note that you must register on the website in advance of the Annual Meeting to be able to attend and vote your shares. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person as your representative. If you are a beneficial owner of shares, you will need your unique control number, which appears on the instructions that accompanied the Proxy Materials.

***How does the Board recommend I vote on the proposals?***

The Board recommends that you vote your shares as follows:

- Proposal 1: **FOR** the election to the Board of the six nominees listed in this Proxy Statement;
- Proposal 2: **FOR** the ratification of the appointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as our independent registered public accounting firm for the fiscal year ending December 31, 2024; and
- Proposal 3: **FOR** the say-on-pay vote.

***What happens if I do not indicate my voting preferences?***

If you are a stockholder of record and you sign and submit your proxy card or authorize your proxy by telephone or Internet, but do not indicate your voting preferences, the persons named in the proxy will vote the shares represented by that proxy consistent with the recommendations of the Board, which are as follows:

- Proposal 1: **FOR** the election to the Board of the six nominees listed in this Proxy Statement;
- Proposal 2: **FOR** the ratification of the appointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as our independent registered public accounting firm for the fiscal year ending December 31, 2024; and
- Proposal 3: **FOR** the say-on-pay vote.

On any other matters that may properly come before the Annual Meeting, the persons named in the proxy will vote the shares represented by that proxy in their discretion.

If you hold your shares through a broker and do not instruct your broker on how to vote your shares, your broker is not permitted to vote your shares on “non-routine” matters, including the election of directors and the say-on-pay vote, but is permitted to vote your shares on “routine” matters, including the proposal regarding ratification of the appointment of our auditor.

***May I change my vote after I submit my proxy?***

If you are a stockholder of record, you may revoke your proxy at any time before it is exercised at the Annual Meeting by doing one of the following:

- delivering to our Corporate Secretary a written notice of revocation (the contact information for our Corporate Secretary is provided below);
- signing and returning to our Corporate Secretary a proxy bearing a later date;
- authorizing another proxy by telephone or on the Internet (your most recent telephone or Internet authorization will be used); or
- logging onto and voting at the virtual Annual Meeting.

If your shares are held in the name of a broker, bank, or other holder of record, you may change your voting instructions by following the instructions provided by your broker, bank, or other holder of record.

Your attendance at the virtual Annual Meeting will not by itself be sufficient to revoke a proxy unless you log onto and vote at the virtual Annual Meeting or give written notice of revocation to our Corporate Secretary before the polls are closed. Any written notice revoking a proxy should be sent to Michael Cohen, our Corporate Secretary, at our corporate offices at c/o Playtika Ltd., HaChoshlim St 8, Herzliya Pituach, Israel, Attn: Corporate Secretary.

***What are the quorum and voting requirements on the three proposals mentioned in this Proxy Statement?***

The presence in person or by proxy of the number of shares of our common stock representing a majority in voting power of the stock issued and outstanding and entitled to vote at the Annual Meeting on any matter will constitute a

quorum. Shares are considered “in person” if voted by the holder of those shares during the virtual Annual Meeting. Abstentions and “broker non-votes” are counted as present for purposes of determining a quorum. A “broker non-vote” occurs when there are both routine and non-routine matters on the proxy card, and the broker marks a vote on the routine matter (either as instructed by the client or, if not instructed, in the broker’s discretion) and crosses out those non-routine matters on which it has no voting authority without the client’s instruction.

The following outlines the vote required and the effect of abstentions and broker non-votes for each proposal at the Annual Meeting:

- Proposal 1 relates to the election of the director nominees. Directors are elected by a plurality of the votes cast at the Annual Meeting. This means that, since stockholders will be electing six directors, the six director nominees receiving the highest number of votes “FOR” will be elected. You may either vote “FOR,” or to “WITHHOLD” a vote from, each nominee for the Board. Brokers do not have discretionary authority to vote your shares for director nominees. An abstention or a broker non-vote will not count as a vote cast “FOR” or to “WITHHOLD” a vote from, a nominee’s election and thus will have no effect in determining whether a director nominee has received a plurality of the votes cast.
- The affirmative vote of the holders of the majority of the shares present and entitled to vote is required for approval of Proposal 2 (Ratification of Appointment of Independent Auditors). You may vote “FOR,” “AGAINST” or “ABSTAIN” on Proposal 2. An abstention will have no effect on the outcome of the vote. Broker non-votes are not expected to result from this proposal since as a beneficial owner, your bank, broker, or other holder of record is permitted to vote your shares even if the broker does not receive voting instructions from you.
- The affirmative vote of the holders of the majority of the shares present and entitled to vote is required for approval of Proposal 3 (Say-On-Pay Vote). You may vote “FOR,” “AGAINST” or “ABSTAIN” on Proposal 3. An abstention or a broker non-vote will not count as a vote cast and thus will have no effect on the outcome of the vote. Brokers do not have discretionary authority to vote your shares for the say-on-pay vote.

***Will any other business be conducted during the Annual Meeting?***

The Board does not know of any matters to be presented during the meeting other than those mentioned in this Proxy Statement. If any other matters are properly brought before the meeting, it is intended that the proxies will be voted in accordance with the discretion of the person or persons voting the proxies. If you are a beneficial owner, your bank, broker, or other holder of record may not vote your shares on any contested stockholder proposal without instructions from you.

If the Annual Meeting is postponed or adjourned for any reason, at any subsequent convening or resumption of the Annual Meeting, all proxies will be voted in the same manner as such proxies would have been voted at the Annual Meeting as originally convened (except for any proxies that have effectively been revoked or withdrawn).

***Who will count the vote?***

Representatives of Mediant Communications Inc. will tabulate the votes and act as inspector of election.

***May I access the Notice of Annual Meeting, Proxy Statement and Annual Report on the Internet?***

Prior to the day of the Annual Meeting, this Proxy Statement (which includes the Notice of Annual Meeting) and our 2023 Annual Report are available in the investors section of our corporate website at [www.playtika.com](http://www.playtika.com). You may also view these materials at [www.proxydocs.com/PLTK](http://www.proxydocs.com/PLTK).

***Who bears the cost of soliciting proxies?***

We will bear the cost of soliciting proxies from our stockholders. In addition to solicitation by mail, our directors, officers, employees, and agents may solicit proxies by telephone, Internet, or otherwise. These directors, officers, and employees will not be additionally compensated for the solicitation but may be reimbursed for out-of-pocket expenses incurred in connection with the solicitation. Copies of solicitation materials will be furnished to brokerage firms, fiduciaries, and other custodians who hold shares of our common stock of record for beneficial owners for forwarding to such beneficial owners. We may also reimburse persons representing beneficial owners for their reasonable expenses incurred in forwarding such materials.

Stockholders who authorize their proxies through the Internet should be aware that they may incur costs to access the Internet, such as usage charges from telephone companies or Internet service providers and these costs must be borne by the stockholder.

## **Stockholder Proposals for our 2025 Annual Meeting**

In order for a stockholder proposal otherwise satisfying the eligibility requirements of SEC Rule 14a-8 to be considered for inclusion in our Proxy Statement for our 2025 annual meeting of stockholders, it must be received by us at our principal office, Playtika Ltd., HaChoshlim St 8, Herzliya Pituach, Israel, Attn: Corporate Secretary, on or before December 27, 2024.

For an eligible stockholder or group of stockholders to bring business (including director nominations) at our 2025 annual meeting of stockholders pursuant to our Bylaws, such eligible stockholder or group of stockholders must comply with the then current advance notice requirements in our Bylaws and deliver the proposal to our Corporate Secretary between February 11, 2025 and March 13, 2025 in order for such proposal to be considered timely. In addition, our Bylaws require the eligible stockholder or group of stockholders to update and supplement such information as of specified dates. For additional requirements, a stockholder may refer to our current Bylaws, a copy of which may be obtained from our Corporate Secretary upon request and without charge. See “Communications with the Board” for contact information. If we do not receive timely notice pursuant to our Bylaws, the proposal will be excluded from consideration at the meeting.

In addition to satisfying the foregoing requirements under our organizational documents, to comply with the universal proxy rules, stockholders who intend to solicit proxies in support of director nominees other than our nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than April 22, 2025.

Section 16(a) of the Exchange Act requires our officers and directors and persons who own more than ten percent of a registered class of our equity securities (collectively Insiders) to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities of the Company. Insiders are required by regulation of the SEC to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of copies of Forms 3, 4, and 5 and the amendments thereto filed electronically with the SEC and written representations from certain reporting persons, we believe that during the year ended December 31, 2023, all Section 16(a) filing requirements were complied with by our named executive officers, directors and beneficial owners of more than ten percent of our stock, except for one Form 4 amendment that was filed by On Chau and certain affiliated reporting persons on July 26, 2023 related to one transaction.

### **Forward-Looking Statements**

This Proxy Statement contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Exchange Act. When used in this Proxy Statement, the words “estimated”, “anticipated”, “expect”, “believe”, “intend” and similar expressions are intended to identify forward-looking statements. Forward-looking statements include discussions of strategy, plans or intentions of management. Forward-looking statements are subject to risks, uncertainties, and assumptions about Playtika, and future events and actual results, financial and otherwise, may differ materially from the results discussed in the forward-looking statements.

Readers are cautioned not to place undue reliance on forward-looking statements, which speak only as of the date of this Proxy Statement. While forward-looking statements reflect our good faith beliefs, they are not guarantees of future performance. We undertake no obligation to publicly release the results of any revisions to these forward-looking statements that may be made to reflect events or circumstances after the date of this Proxy Statement or to reflect the occurrence of unanticipated events.

## **Householding of Proxy Materials**

SEC rules permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

A number of banks and brokers with account holders that are our stockholders will be householding our proxy materials. A single Proxy Statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have received notice from your bank or broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Proxy Statement and annual report, please notify your bank or broker and direct your written request to Investor Relations, at the contact information below. Stockholders who currently receive multiple copies of the Proxy Statement at their address and would like to request householding of their communications should contact their bank or broker.

## **Incorporation by Reference**

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933, as amended, or the Exchange Act, which might incorporate future filings made by us under those statutes, the preceding Compensation Committee Report and Audit Committee Report will not be incorporated by reference into any of those prior filings, nor will any such reports be incorporated by reference into any future filings made by us under those statutes. In addition, information on our website, other than our Proxy Statement, Notice of Annual Meeting and form of proxy, is not part of the proxy soliciting material and is not incorporated herein by reference.
